

## List of changes made to the Financial Instrument Specification TMS Connect

From 10<sup>th</sup> of November 2019

1. In notes of explanation record is changed from:

“Limit (retail client experienced)” indicates maximum possible net exposure within one financial instrument (measured in lots) and applies only to clients with the status “retail client experienced”.”

to

“Within the Limits on the Financial Instrument, for Customers with the category "Experienced Retail Customer" (the limit does not apply to customers who do not have this category), an additional limit disclosed in the "Limit (experienced customer)" column is established.”

2. The values in the "Minimal transaction spread" column are updated.
